

# Bulletin August 2024

## Summer Exhibition 2024

The dust has barely settled after last week's stunning Exhibition of art works by Society members. The Exhibition represents many hours of artistic endeavour by every one of us who participated, so many thanks and congratulations to all.

Particular thanks are due to Committee members Sue Berquist and Jan Munro who are our organisers-in-chief for the Exhibition and as usual succeeded magnificently, with the help of their dedicated team. From the advance publicity to the wonderful Private View evening, to the beautifully curated displays, the flowers, the stewarding, record-keeping and finances, every single aspect of the Exhibition is down to the efforts of volunteer members.

### Competition Winners

#### St Albans Trophy

Sunny St Albans by Chris Baker

#### Edward Bevin Cup

Candelabra by Ybo Vass

#### Terry Biggs Award (Best in Show)

Abbey Mill Lane by Eric Littledike

As I write work is in hand to get pictures and a full list of winners and runners-up onto our website [www.stalbans-artsociety.org.uk](http://www.stalbans-artsociety.org.uk). The Facebook page has images of many of the works exhibited: [\(20+\) Facebook](#) and [#stalbandsartsociety](#); also Instagram [stalbandsartsociety.saas](#)

## Exhibition Souvenir Prism

Following a number of enquiries about whether there would be an Exhibition Prism, the committee has decided to publish a souvenir edition with the kind help of our former Prism editor Janet King. (For new members, Prism was our regular Art Society magazine until September 2023.) All members will receive by post in September a paper copy of the souvenir edition, with all the information about the Exhibition winners and runners-up, judges' comments, and funds raised, as well as photographs and an overall commentary from our Chair, Steph Benbow.

## Programme for 2024/25

Full details of the new annual programme starting in September can be located on the website

The full programme will also be published in the paper copy of the souvenir Prism (see above).

AUGUST AND SEPTEMBER 2024
